"visual learning through creative technology"

CLAYMATION

Stop Motion
Animation FUN

After School Enrichment

PhotoMath engages students exploration in math and science concepts through Photography.

Have fun making math and science relevant!

Claymation animation class is amazing! Students experience a multi-faceted curriculum that involves the science concept of "motion". They storyboard their idea, organize the process, build a figure, set design, photography and learn computer technology. Visit <http://www.mathnphotos.com/claymation.html> to register and see amazing Claymation Projects

Start Date: Tuesday September 16, 2014

Time: 3:00PM - 4:00PM

Location: Cabin John Middle School

Fee: \$160.00

Grades: 6th - 8th

Duration: 8 Weeks - **Class Dates:** 9/16; 9/23; 9/30; 10/7; 10/14; 10/21; 10/28; & 11/4

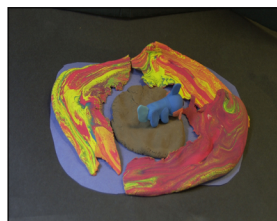

This class is perfect for students that love to express their creativity, learning a creative application of digital photography. CLAYMATION... Stop Motion Animation.

Claymation is second to none for engaging students in the curriculum and bringing creativity and exploration to an after school enrichment program. It is perfect for hands-on learners and new technology users.
