# Photo Shop/ Animation

*Join Us in September  
on Thursdays*

**Start: Thursday September 18, 2014**

**Time: 3:00PM - 4:00 PM**

**Location: Cabin John Middle School**

**Fee: \$175.00**

**Grades: 6th - 8th**

**Dates: 9/18; 9/25; 10/2; 10/9; 10/16; 10/23; 10/30; & 11/6**

## **Photoshop**

In this program, students tap into their creative side with Adobe Photoshop, Adobe Flash, Adobe Illustrator, Dreamweaver and Power Point. Students learn valuable techniques using tools within each program to both express themselves artistically and enhance academic work. Learn to create a Gif animation, blend images and design a publication. Challenge yourself to create a game, a web page, and an animation as you learn basic programming.

## **Animation**

Your child will expand their creativity and technological knowledge in our Animation Program. They will explore cutting edge technology while creating animations in Adobe Flash. Adobe Illustrator. Adobe Photoshop will be used to import and design media for their animations. Students will learn about using a Timeline, Creating Layers and Importing Images to produce a final project. Each class, students face assignments that will test their problem solving skills, ensuring that they will leave with increased knowledge and self confidence about their creative ideas and animation skills. Students challenge themselves to create a game, a web page, and an animation as they learn basic programming
